## Deer Industry Regional Workshop - Otago

### *Fencing, fawning and feed utilisation for better growth*

**When: Thursday 23 March**

**Where: Glen & Renee Harrex, 103 St Bathans Downs Road, Oamakau**

Come and hear what the Central Otago Advance Party has been up to.

### Programme

- 1:15pm Welcome and introduction to Greenvale Downs
- 1:30pm: Farm tour – 4WD utes – with stops across the property
- 3.30pm: Back in shed - Advance Party member presentations
- 4.00pm: Feedback and workshop on improving fawn survival
- 5:00pm: BBQ and refreshments

### Topics for discussion

#### Fawn survival targets

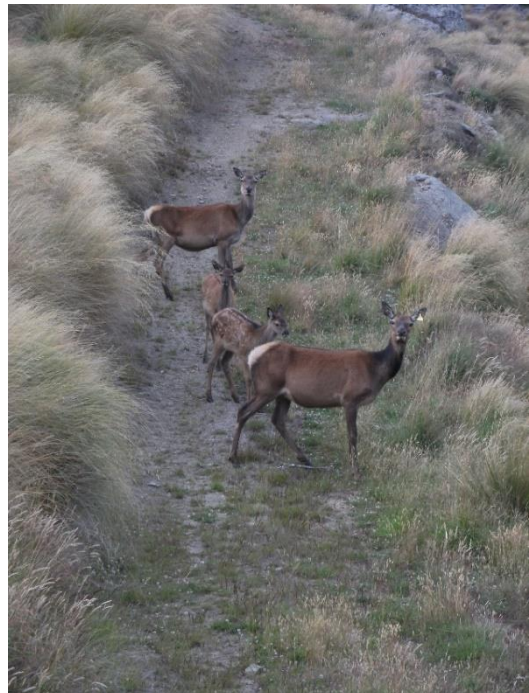

- Aim to improve fawn survival to sale from 88% to 92% See the results and how these were achieved over the past two seasons, including-
  - Fencing improvements
  - Better utilization of dryland areas
  - Lower stocking density
  - Reduced disruption

#### Utilisation of irrigated areas

- Spring growth and how it can be better utilised

#### Advance Party members' changes

- Hear from other Advance Party members about their areas of improvement over the past two seasons
- Q&A opportunity
